The Academy

This is an exciting and rewarding opportunity to be part of the team at a brand-new Academy. West Bromwich Collegiate Academy will be opening with 175 students in September 2019. We believe:

- At WBCA we are committed to an inclusive education for local students at every ability level, a rigorous grounding in academic fundamentals and equipping students for the future through teaching them relevant and cutting-edge skills for the era in which they live.
- That every student should be safe, happy ambitious of themselves and respectful of all.
- To ensure the students have world class opportunities which allow them to compete with any students in the country.

The postholder will work with individual and small groups of students in order to promote their inclusion and to provide support for teaching and personalised learning.

Applicants must have experience of working in a school environment supporting student learning.
