

January 2022

Dear Family

Year 8 Examination Timetable, January 2022

As you are aware, students will be taking examinations to formally assess some of the knowledge and skills they have gained so far in Year 8. Some examinations will be taken in classrooms and others in the Sports Hall but all will be subject to formal exam conditions. Some examinations will be written papers, some will be online tests.

Students must:

- Be on time for all exams
- Follow all instructions
- Work independently and in silence
- Write clearly in pen (black pen must be used for GCSE examinations)
- Raise their hand if there is a problem

Students must not:

- Communicate with others while the exam is in progress
- Have notes in their pockets

Students will need a pen, pencil and ruler for all exams. They will need a calculator for Science exams. If your child has a calculator please remind them to bring it to school as we have limited spare equipment available.

In line with our regular rules, all mobile phones must be switched off at all times and in student bags. Smart watches are not permitted.

The examination timetable is on the reverse of this letter, please read through it carefully with your child. Students will be revising in lessons next week and can continue to access resources on their Teams sites and their books. It is important that they try their best but to not panic, these exams will allow us to see where students may need some extra support to help them make good progress.

Yours sincerely,

Miss M Gardner

Vice Principal

Year 8 Examination Timetable, week beginning 17th January 2022

Date	Form	1	2	Break	3	Lunch	4	5
Monday 17th Jan		GL English Online L4L Classrooms 75 minutes					GL Maths Online L4L Classrooms 75 minutes
