## OPPORTUNITIES

Happy Pride Month! Did you know that July is the nominated month to celebrate all things LGBTQ+? Check out this helpful resource from Amazing Apprenticeships to help you find an LGBTQ+ inclusive employer.

CAREERCON LIVE - ARTIFICIAL INTELLIGENCE. Meet the brands, employers, and industry professionals that are leading the way in the world of Artificial Intelligence. Explore AI's captivating world through a live stream with top companies and inspiring speakers. Unlock valuable knowledge, from cutting-edge innovations to thrilling career prospects, and get your questions answered by industry professionals! Takes place at 1pm on 29th June but all talks will be recorded and available on the website, so sign up even if you can't make the timeslot.

Get to grips with how modern job applications work and how you can achieve successful applications with the Amazing Applications Virtual Broadcast. Get the lowdown from industry insiders on today's recruitment practices and how to stand out from the crowd with CV and interview tips, find out what an assessment centre is and get the latest advice on how to approach virtual interviews. Taking place on Thursday 6th July from 9am-10am. Event taking place online via this link.

The Oxbridge Launchpad Summer Programme is structured around five core workshops, which collectively guide you through the entire Oxbridge admissions process, from crafting the perfect personal statement through to maximising performance at interview. You can read more and register here.

## JOB OF THE WEEK

Digital marketers promote brands, products and services through social media, websites and apps. The annual salary is £20,000 to £50,000 and you can expect to work 37 to 39 hours a week. There will be 3.9% more Digital marketer jobs in 2027.

## OPPORTUNITIES

TMC is a non-profit organisation focused on addressing the lack of diversity in the legal profession by providing 1:1 mentorship for aspiring solicitors from diverse backgrounds who have faced barriers to entry into law. TMC offers workshops on commercial awareness and interview preparation, with a network of future solicitors as tools to support mentees, all working together to increase their chances of landing an opportunity in a law firm of their preference. [Read more here.](#)

The Mackintosh Foundation has announced the inaugural Regional Theatre Technical Apprenticeship Programme in association with thirteen venues across the United Kingdom, offering young people a stepping-stone into the theatre industry and supporting the next generation of technical theatre professionals. [Read more here.](#)

Considering a degree in computer science? Join Dr Llŷr ap Cenydd as he [introduces you to the fundamentals of creating lifelike creatures in gaming.](#) He explores and evaluates the applications of Artificial Intelligence, different animation methods, and Virtual Reality in gaming, showing live examples of creature development in his own games.

Maybe Psychology is more up your street... In this Subject Spotlight, Dr Joseph Adonu [explores the psychology of one of the hardest feelings to define: love.](#) By introducing you to several psychological theories of love, and evaluating the different cultural meanings of love, he tackles the age-old question: does love at first sight actually exist?

What are my rights if I'm dismissed by my employer? [Join Lottie Dodd as she explores the laws surrounding dismissal](#) in the workplace, claims around unfair dismissal, and how businesses should approach fair dismissal from a legal and ethical standpoint. She will also prompt you to put theory into practice with a scenario based activity aimed at making you think critically about workplace dismissal!
