

Year 8

	KS3	Lesson	Walt & Wilf	Lesson	Walt & Wilf	Hours	Marking & Feedback	Notes	
Half Term 1	Week 1			Welcome to year 8					
	Week 2		Recap content from end of year 7 (year 8 material unit number)	00) End of unit Test - Number		2	Exit Ticket		
	Week 3	Number	001) Area of a triangle	002) Area of a parallelogram & Trapezium		2	Exit Ticket/ Intervention		
	Week 4		003) Volumes of cubes & cuboids	004) 2D representations of 3D solids		2	Exit Ticket		
	Week 5		005) SA of cubes & Cuboids	006) Measures		2	Exit Ticket/ Intervention		
	Week 6		007) Consolidation	008) End of unit Test - Area & Volume		2	Exit Ticket		
	Week 7		009) Intervention/DIRT	009) Pie Charts		2	Exit Ticket		
	Week 8		010) Using tables	010) Stem & Leaf diagrams		2	Exit Ticket		
Half Term								Intervention on MW/ Century	
Term 2	Week 9		004) Comparing data	005) Scatter Graphs		2	Exit Ticket		
	Week 10		006) Misleading graphs	006) End of unit Test - Graphs & Charts		2	Exit Ticket/ Intervention	Spare homework on bar charts & designing questionnaires - not taught but ideal homework	
	Week 11		007) Algebraic Powers	007) Expressions & brackets		2	Exit Ticket		
	Week 12	Revision Week					2	Exit Ticket/ Intervention	
	Week 13	Assessment Week					2	Exit Ticket	
	Week 14		008) Factoring expressions	008) One step expressions (Set consolidation for unit and also units 1-4)		2	Exit Ticket		
	Week 15		DIRT on assessment	DIRT on assessment		2			
	Christmas								Intervention on MW/ Century
Term 3	Week 16		009) Two step expressions	009) The balancing method		2			
	Week 17		010) End of unit Test - Expressions & Equations	010) Intervention/DIRT		2	Exit Ticket	Spare HW includes substitution	
	Week 18		Conversions graphs	Distant time graphs		2	Exit Ticket		
	Week 19		line graphs	real life graphs		2	Intervention/ Exit Ticket		
	Week 20		curved graphs	011) End of unit Test - Graphs		2		Homework for equations of straight line graphs	
	Christmas								Intervention on MW/ Century
Term 4	Week 21		001) rounding and ordering decimals	002) Place value calculations				Set DIRT for homework HALF TERM	
	Week 22		003) calculations with decimals	004) ratio & proportion with decimals		2	Exit Ticket		
	Week 23		005) End of unit Test - decimals & ratio	005) Intervention/DIRT		2	Intervention/ Exit Ticket		
	Week 24		006) quadrilaterals	Alternate angles (Set consolidation as homework)		2	Intervention / Exit Ticket		
	Week 25		angles in parallel lines	exterior and interior angles		2	Exit Ticket		
Easter - Set consolidation as homework								Intervention on MW/ Century	
Term 5	Week 26		Solving Geometric Problems	006) End of unit Test - Line and angles (Set revision for units 5-7)		2			
	Week 27		Ordering Fractions	adding and subtracting mixed number fractions		2	Intervention/Exit Ticket		
	Week 28		Multiplying fractions	dividing fractions		2	Exit Ticket		
	Week 29		Calculating with mixed number	007) End of unit Test - calculating with fractions		2	Exit Ticket/ Intervention		
	Week 30		008) Intervention/DIRT	008) Direct proportion on graphs		2	Exit Ticket/ Intervention		
	Week 31		009) Gradients	009) Equations of straight lines		2			
	Week 32		010) End of unit Test - straight line graphs	010) Intervention/DIRT		2	Intervention		
	Easter								Intervention on MW/ Century
Term 6	Week 33		Catch up	Catch up		2	Exit Ticket		
	Week 34	Revision Week					2	Exit Ticket/ Intervention	
	Week 35	Examinator Week					2	Exit Ticket/ Intervention	Spare HW covers different FDP
	Week 36		001) Fractions & Decimals	002) Equivalent Proportions		2	Exit Ticket/ Intervention		
	Week 37		003) Writing percentages	004) Percentages of amounts		2	Exit Ticket/ Intervention		
Week 38		005) End of unit Test	005) Intervention/DIRT		2				
Week 39					2
