			high school to higher education or the workforce.
<b>Democracy</b>	<p><b>Lesson:</b> Trade Unions</p> <p><b>Lesson:</b> Pollution and plastics</p> <p><b>Lesson:</b> Right wing extremism</p> <p><b>RS Lessons:</b> Environmental responsibility.</p>	<p><b>Assembly:</b> Elections and Democracy</p> <p><b>Assembly:</b> International Women's Day</p> <p><b>Assembly:</b> Sexual Harassment</p> <p><b>Assembly:</b> Disability Awareness Month</p> <p><b>Assembly:</b> Martin Luther King</p> <p><b>Assembly:</b> Black History Month</p>	<p>Students will understand the intricate connections between civic engagement, environmental responsibility, and political ideologies. Exploring the role of trade unions in democratic societies fosters an appreciation for collective bargaining and workers' rights, emphasizing the importance of balance between labour and management. The study of pollution and plastics highlights the democratic imperative of protecting the environment, encouraging students to critically examine policy implications and advocate for sustainable practices. Looking into right-wing extremism equips students with the tools to recognize and counter threats to diversity, emphasizing the importance of inclusivity. By addressing students can comprehend the complexities of democratic societies but also cultivate a sense of responsibility, fostering a generation that is informed, engaged, and capable of contributing meaningfully to societal progress. In Religious Studies, students will gain an understanding of different religious beliefs, practices, and customs. This can help young people to develop tolerance and respect for the beliefs and practices of others, and to foster intercultural understanding and harmony. It will help students to understand the role that religion has played and continues to play in shaping society and culture. This can give young people a greater appreciation of</p>

			<p>rights, responsibilities, and the societal structures that contribute to a just and equitable rule of law.</p> <p>In Religious Studies, students will gain an understanding of different religious beliefs, practices, and customs. This can help young people to develop tolerance and respect for the beliefs and practices of others, and to foster intercultural understanding and harmony. It will help students to understand the role that religion has played and continues to play in shaping society and culture. This can give young people a greater appreciation of the diversity of human experience and the ways in which people have tried to make sense of the world around them.</p> <p>Students will hear from police about knife crime and understand why carrying weapons are so dangerous and how people are more likely to be hurt by their own weapon. Students will understand what rights they have and how to better protect themselves. Students will learn what county lines are and the dangers of transporting drugs for people. Students will understand the harmful consequences of drug taking and how peer pressure can lead to this, equipping themselves with better knowledge to resist this.</p>
<b>Individual Liberty</b>	<p><b>Lesson:</b> Trade Unions</p> <p><b>Lesson:</b> Consent, rape and sexual harassment</p> <p><b>Lesson:</b> Equality Act</p> <p><b>Lesson:</b> Sexting</p> <p><b>RS Lessons:</b> Origin of life, euthanasia.</p>	<p><b>Assembly:</b> RSE Speaker and Nurse Sexual Health Workshop</p> <p><b>Assembly:</b> Racial Discrimination</p> <p><b>Assembly:</b> Remembrance</p> <p><b>Assembly:</b> Martin Luther King</p> <p><b>Assembly:</b> International Women's Day</p>	<p>Examining topics like trade unions, consent, rape and sexual harassment, the Equality Act, and sexting in the context of individual liberty is crucial for empowering students with a comprehensive understanding of their rights and freedoms. Teaching about trade unions highlights the right of workers to collectively advocate for fair treatment, showcasing the exercise of individual liberty within the workplace. Consent, rape, and sexual harassment discussions connect directly to personal autonomy, emphasizing the importance of respecting others' boundaries and the right to live free from harm. The Equality Act reinforces the principle that everyone deserves equal treatment and protection under the law, promoting individual liberty for all. Addressing the</p>

<b>Mutual Respect</b>	<p><b>Lesson:</b> Globalisation</p> <p><b>Lesson:</b> Multiculturalism</p> <p><b>Lesson:</b> Obesity and body positivity</p> <p><b>Lesson:</b> Consent, rape and sexual harassment</p> <p><b>Lesson:</b> Equality Act</p> <p><b>RS Lessons:</b>  Humanism and the purpose of life, origins of life, euthanasia, life after death, nature of God, nature and purpose of human life.</p>	<p><b>Assembly:</b> Racial Discrimination</p> <p><b>Assembly:</b> Black History Month</p> <p><b>Assembly:</b> Martin Luther King</p> <p><b>Assembly:</b> International Women's Day</p>	<p>Exploring globalisation and multiculturalism encourages an appreciation for diverse perspectives and cultures, promoting respect for differences and fostering a sense of inclusivity. Discussions on obesity and body positivity delve into the importance of embracing diverse body types, promoting self-respect and encouraging empathy towards others. Consent, rape, and sexual harassment discussions emphasize the fundamental principle of respecting personal boundaries and promoting healthy relationships. The Equality Act highlights the importance of treating everyone with fairness and dignity, reinforcing the value of mutual respect regardless of differences. By addressing these topics, it equips students with a broader worldview but also instils values that form the foundation for a society built on mutual understanding, empathy, and respect for the rights and dignity of every individual.</p> <p>In Religious Studies, students will gain an understanding of different religious beliefs, practices, and customs.
